

MILLING GRADES

USI-TECH GRADE	ISO	Applications
T908	P20-P40	PVD-coated tungsten carbide
	M20-M40	For a wide range of steel and cast iron milling applications
T908	P30-P50	PVD-coated tungsten carbide
	M30-M50	For wide-ranging milling applications in steel, stainless steel and cast iron
